NAME(S)

YEAR(S)

2019 Larry Shafer Memorial Senior All-Star Tournament

All members of the Georgia State USBC who are at least fifty (50) years of age by January 25, 2019, are eligible to compete. Professional card holders during 2017, 2018, and 2019 (and current applicants) are ineligible to compete. Any bowler who has won \$8,000 or more in cumulative tournament winnings during the 12 months prior to this tournament is ineligible to compete.

The first round of qualifying will consist of four (4) games bowled over eight (8) lanes. The team championship and other team prizes will be determined in the first round of qualifying. A team's score will be its top five (5) scores each game.

One-half of the field (maximum 66), based on four-game totals, will qualify for the second round, to begin at 4:00 PM Saturday. Lane assignments will be made according to first round qualifying. The second round of qualifying will consist of four (4) games over eight (8) lanes. The Tournament Director may announce a deadline, no earlier than 4:00 PM, after which any qualifier not on site will be disqualified and replaced by the next highest score available.

Eight (8) game totals will determine the ten (10) finalists and other individual prizes. A minimum of twenty-four (24) singles prizes will be awarded. A one game roll-off will be held immediately after the second round to break any ties relative to the ten finalists.

The finals will begin Sunday, February 3 at 8:30 AM. There will be no pins carried over into the finals. Number assignments will be based on eight (8) game totals. A ten-team schedule will be used to determine pairings for match play. The tenth game will be position round. Each game winner will receive thirty bonus pins (fifteen in the case of a tie). If a tie exists after nine (9) games that impacts the championship, a ninth and tenth frame roll-off will be held. A one (1) game roll-off will be held immediately to break any tie(s) relative to the championship.

Any alternates will be selected according to the rank of those present. There will be no substitution after play has begun in the second round. Alternates in the second round will use their own first round scores. If a bowler must withdraw during the finals, that bowler's substitute will assume the original bowler's scores. Any bowler that withdraws during the finals and is not replaced will finish tenth. Any bowler who is not present when the finals begins and is not replaced will not be allowed to bowl after the first ball has been delivered in the finals.

The house will be divided for all squads requiring more than sixteen lanes. If possible, one or more pairs of lanes will be left open in case of major mechanical malfunction. Such lanes will be employed during both qualifying rounds.

Long pants or neat shorts and a collared shirt are required. Ladies may wear a skirt. Headgear may not be worn during competition. The use of cellular telephones is prohibited.

Any rules not covered herewith are contained in the Georgia State USBC By-laws and/or Operations Manual. Any dispute not directly adjudicated by Georgia State USBC Operation Manual or USBC guidelines will be settled by the Tournament Director.
